**MODIFICATION THREE TO THE
GLOBAL CUSTOMIZED MAIL AGREEMENT BETWEEN
THE UNITED STATES POSTAL SERVICE AND [REDACTED]**

This Modification amends the Global Customized Mail Agreement ("Agreement") between [REDACTED] ("Mailer"), with offices at [REDACTED], and the United States Postal Service ("USPS"), an independent establishment of the Executive Branch of the United States Government, with offices at 475 L'Enfant Plaza SW, Washington, DC 20260-9998, signed by the Mailer on March 1, 2017, and signed by the USPS on March 10, 2017, as amended by Modification One, signed by the Mailer on March 13, 2018, and by the USPS on March 14, 2018, as amended by Modification Two, signed by the Mailer on April 11, 2018, and by the USPS on April 12, 2018. The Mailer and the USPS may be referred to individually as a "Party" and together as the "Parties."

The purpose of this Modification is to make the following change to the Agreement.

Article 11 Term of the Agreement shall now read as follows:

11. Term of the Agreement. The USPS will notify the Mailer of the Effective Date of the Agreement as soon as possible, but not later than thirty (30) days, after receiving the approval of the entities that have oversight responsibilities for the USPS. If the Postal Regulatory Commission completes its review of the successor agreement filed in Docket No. CP2018-222 by May 31, 2018, the agreement shall remain in effect until 11:59 p.m. on May 31, 2018. If the Postal Regulatory Commission completes its review of the successor agreement filed in Docket No. CP2018-222 after May 31, 2018, the Agreement shall remain in effect until 11:59 p.m. on the business day after the Postal Regulatory Commission concludes its review of the successor agreement filed in Docket No. CP2018-222, or June 30, 2018, whichever occurs earlier, unless terminated sooner pursuant to Article 12 or Article 13.

All other terms and conditions of the Agreement shall remain in force.

The Parties acknowledge and understand that all obligations of the USPS under this Modification shall be contingent on the USPS receiving approvals (hereinafter "Conditions Precedent") from one or more internal and external bodies that have oversight responsibilities. Conditions Precedent may include, but are not limited to: approvals or, if applicable, non-objection, from responsible USPS management officials, the USPS Board of Governors, the USPS Governors, the Postal Regulatory Commission, and/or any other governmental body with oversight responsibility for the USPS. The Parties acknowledge that this Modification may not be approved by such individuals or bodies. Until such time that all Conditions Precedent are fulfilled that are necessary to allow the USPS to provide the products or services contemplated under the Agreement, no obligation shall exist for the USPS and no benefit shall inure to either Party. In the event that the Conditions Precedent are not fulfilled, the USPS shall have no liability, which shall include no obligation to pay costs associated with any action taken by the Mailer prior to the Effective Date of this Modification. Further, in the event of termination of the Agreement or the failure of any Condition Precedent, the USPS shall not be held liable for any damages including, without limitation, actual, special, indirect, incidental, punitive, consequential, or any other damages, which shall include but not be limited to damages for loss of business profits; business interruption; any other loss; and/or any costs incurred by either Party attributable to such non-approval such as attorney's fees.

The Mailer acknowledges that the Modification and supporting documentation will be filed with the Postal Regulatory Commission ("Commission") in a docketed proceeding (CP2017-133). The Mailer authorizes the USPS to determine the scope of information that must be made publicly available in any Commission docketed proceeding in which information related to this Modification must be filed. The Mailer further understands that any unredacted portion of the Modification or supporting information will be available on the Commission's public website, <http://www.prc.gov>. In addition, the USPS may be required to file information in connection with this instrument (including revenue, cost or volume data) in other Commission dockets, including the Commission docket number for the Annual Compliance Report (ACR) for the USPS fiscal year(s) in which the Agreement is in effect. Each ACR docket number has a distinct docket number, such as ACR201#, in which ACR201# signifies the USPS fiscal year to which the ACR pertains. The Mailer has the right, in accordance with the Commission's rules, to address its confidentiality concerns directly with the Commission. The procedure for making an

application to the Commission for non-public treatment of materials believed to be protected from disclosure is found in part 3007 of the regulations concerning the Commission in Title 39 of the Code of Federal Regulations.

The Parties may execute this Modification in one or more counterparts (including by facsimile or by electronic means such as .pdf format). Not all Parties need be signatories to the same document. All counterpart signed documents shall be deemed an original and one instrument.

In witness whereof, this Modification is deemed executed on the latter of the two dates accompanying the Parties' signatures.
